Sharanya Pale, Pharmacovigilance Executive - I (SCITUS)

PharmaWiz truly exceeded my expectations, and I highly recommend Students seeking a successful career in pharma. I am filled with deep gratitude for the institute's transformative impact on my life & helping me to start my career in pharmacovigilance within two months after completing my graduation.

Thank you, team Pharmawiz.

Deemah Mahveen, Medical Scribe Trainee (Virtual Physician Scribe)

It has been a privilege to be associated with PharmaWiz.

The journey has been really great all through the way. I would appreciate the Training team and Placement Department for being supportive and providing us the endless opportunities for getting placed.

I would like to thank PharmaWiz for the efforts they did in getting me placed at VPS in medical scribe that has provided an awesome start to my career.”

Ankit Somvanshi, Safety Associate Trainee (IQVIA India Pvt Ltd)

I have gained immense knowledge, but more importantly, I gained confidence. In this journey, I would like to extend my heartfelt appreciation to the founder of PharmaWiz (Azeem Sir). His guidance and mentorship have been nothing short of a blessing... Azeem Sir's friendly and supportive nature made all the difference in my learning experience, and I am forever grateful for his invaluable insights and encouragement.

Thank you Team PharmaWiz for guiding to my first job in pharmacovigilance at IQVIA.

Mahadev, Safety Associate Trainee (IQVIA India Pvt Ltd)

I must express my heartfelt gratitude to Azeem Sir. His guidance and support were instrumental in my successful placement and journey towards a fulfilling career in pharmacovigilance. Azeem Sir's dedication to his students' success is evident in the way he personally mentors and motivates each one of us”.

I strongly recommend PharmaWiz to every Pharma student aspiring to start career in clinical research industry.

Gangadhar, Processing Specialist (US) (Tata Consultancy Services)

PharmaWiz is a transformative place. If you are a Pharma Graduate aspiring to do start career...PharmaWiz would be the right platform.

For me, it was one of the defining moments in my life to join PharmaWiz. PharmaWiz has helped me to enhance my academic & Inter personal skills which played vital role in cracking my first job with TCS and that's how my professional journey has begun. And, the greatest treasure of all would be the meeting Azeem Sir. He is my teacher, mentor & an elder brother. He boosted me up to realise my true potential. Thank you Azeem Sir & Team PharmaWiz.

Mayur Jaiswal, Trainee-Junior Data Analyst (Cognizant)

I have joined PharmaWiz after attending Azeem sir's workshop at my college during masters and joined PharmaWiz to start my career and yeah need to say that was the best step I took.

There are so many choices with no road map to us. As I'm moving forward with my career goals, PharmaWiz has helped me a lot with my career planning.

PharmaWiz has helped me to gain knowledge & skills required to breach today's competitive job market & start my career as a fresher. Thank you PharmaWiz.

Nikita Reddy, Drug Safety Associate (Parexel International Pvt Ltd)

I am incredibly grateful to the PharmaWiz for their immense contribution to shaping my career. With their comprehensive training and guidance, I not only gained the necessary skills but also secured a job that I had been aspiring for.

Skilled trainers and supportive environment made my journey easy. Their focus on communication and personality development added an extra edge to my professional profile. I extend my heartfelt thanks to the founder, Azeem Sir, whose friendly and helpful nature made the learning experience even more remarkable.

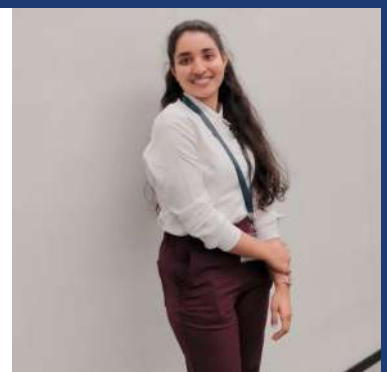

Spoorthi, Drug Safety Associate (Sitero Solutions India Pvt Ltd)

My experience with PharmaWiz has been nothing short of exceptional. The training program was well-structured, offering in-depth insights into the pharmaceutical industry.

What truly sets PharmaWiz apart is its dedicated placement support. Thanks to the extensive industry connections and guidance on resume building, interview preparation, and soft skills training, I was able to secure a job in pharmacovigilance at Sitero during the course. Thank you Team Wiz & always proud to be a wizian.

Mounika, Clinical Data Analyst (Parexel International Pvt Ltd)

I would like to share a few words about the platform that brought me to this place. PharmaWiz is a passionate and dedicated career guidance platform for all Pharma graduates out there. I'm extremely Happy to be a part of PharmaWiz. Apart from the subjective knowledge, they also guided me to develop my verbal skills, grooming, personality development, which helped me boost my confidence that is required for cracking the interview in a high competitive world for a job. PharmaWiz stands out on top for me because, I had good learning from well experienced trainers. Thank you PharmaWiz.

Adharsh Goud, Safety Associate Trainee (IQVIA India Pvt Ltd)

Pharmawiz Institute provided excellent career support. They organized career counseling sessions, mock interviews, and resume-building workshops, which greatly helped me in preparing for job opportunities. The institute also had a strong network of industry professionals, and they facilitated interactions with experts through guest lectures and networking events.

This exposure to industry leaders was invaluable and provided valuable insights into the current trends and challenges in the field. Thank you PharmaWiz.

Rakesh R, Drug Safety Associate (Parexel International Pvt Ltd)

I was strong with my subjective basics but was curious about exploring different opportunities in (IT PHARMA) and also overcome my introvert nature. My journey with PharmaWiz for 4 months was very exciting they have put me out of my comfort zone and helped me out in a very short period of span, I could see betterment in my personality and and gained a lot of knowledge and enhanced my skills.

To be precise, Azeem Sir & PharmaWiz has been a game changer in my professional career. Thank You..”

Lavan Kumar, Junior Officer - Regulatory Affairs (Hetero Pharma)

I have joined PharmaWiz after my graduation to start my career and yeah need to say that was the best step I took.

Pharmawiz is a best place to learn, they are providing good knowledge in PV, RA,CR and CDM courses not only the career building courses but also moulding our self's. I had improved my communication skills and also have gained much knowledge regarding Regulatory affairs and this helped me to start my career.

Swaragini, Drug Safety Associate (Sitero Solutions India Pvt Ltd)

I joined PharmaWiz with the hope of advancing my career in the pharmaceutical industry, and the experience far exceeded my expectations. The training was incredibly thorough, covering every aspect of pharmacovigilance, regulatory affairs, and industry trends.

The Mentors were not only experts in their fields but also dedicated to ensuring that each student understood the concepts which helped to start my career in pharmacovigilance.

Athar Shaik, Process Executive-Clinical Research (Cognizant)

The comprehensive course in PV, CR, CDM & RA, provided me with the necessary skills and knowledge to excel in my chosen field. What truly sets PharmaWiz apart is their unwavering dedication to their students' overall growth. Along with the core technical skills, they also focus on developing communication abilities and enhancing personality traits. This approach proved to be the key that unlocked the doors to opportunities for me & helped me to start my career in clinical research at Cognizant Technology Solutions.

Thank you PharmaWiz, Proud to be a Wizian.

Dhananjay, Regulatory Affairs Associate (Merck Specialities Pvt Ltd)

From the moment I enrolled in their program, I was impressed by the professionalism and expertise of the instructors. The faculty members were not only highly knowledgeable in their respective fields but also dedicated to providing comprehensive and up-to-date information. Their passion for teaching was evident, as they took great care in explaining complex concepts and ensuring that all students grasped the material effectively.

I Sincerely thank Azeem sir & PharmaWiz.

C Chakradhar, Junior Medical Coder (Episource)

Joining The Med Learn was the best decision I ever made. The trainers explain everything so clearly. I feel so prepared for my new career. Highly recommend Med Learn for freshers aspiring to start their career in Medical Coding.

To be precise, Srikanth Sir & Med Learn has been a game changer in my professional career. Thank You..”

Sheeja Chinchu, Junior Medical Executive (ScribeEMR)

I was nervous about learning medical coding, but The Med Learn made it so easy. Their teaching methods are fantastic and very student-friendly. I'm now confident in my skills thanks to them.

Nagendra J, Senior E/M Analyst (R1 RCM Global Pvt Ltd)

The Med Learn approach to teaching is incredible. They break down complex topics into easy-to-understand lessons. I can't thank them enough for their support and guidance. I highly recommend Med Learn to all freshers interested to start their career in Medical Coding.

Bindu Priya, Junior Medical Coder (Corro Health Infotech Pvt Ltd)

The way the industry experts at Med Learn teach is so easy to understand and practical. I never thought I could learn medical coding so quickly. Their support is unmatched. Thank you, Med Learn!
